2. Mosabbir Sadman Adib (180042106)  
Email: [mosabbirsadman@iut-dhaka.edu](mailto:mosabbirsadman@iut-dhaka.edu)
3. Moshiur Rafi Alvi (180042114)  
Email: [moshiurrafi@iut-dhaka.edu](mailto:moshiurrafi@iut-dhaka.edu)

## Objectives:

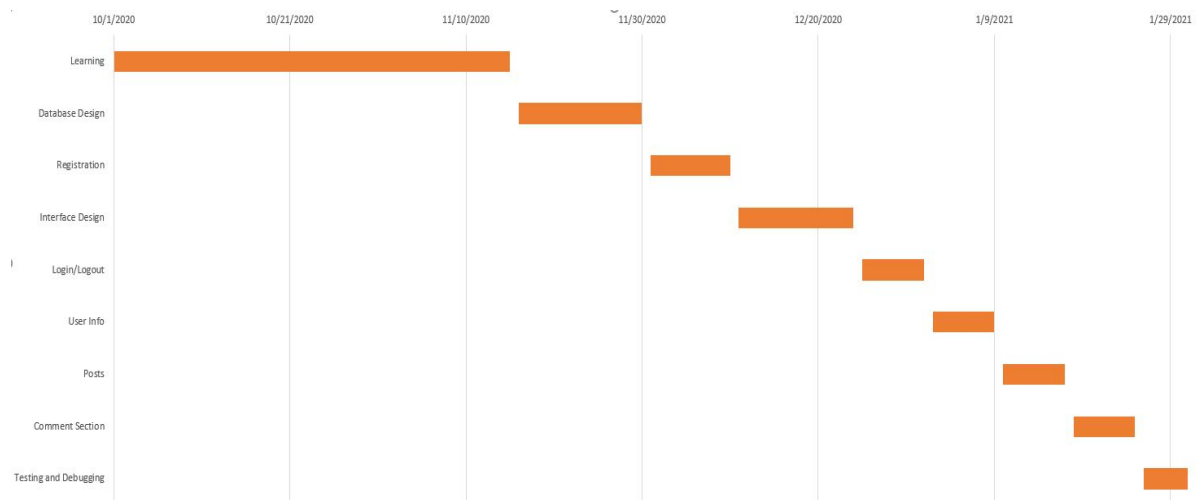

- ❖ To make a virtual community between the members of the educational process.
- ❖ To build a responsive website for the interactions between the community members .
- ❖ To build a website to also store information regarding oneself.
- ❖ To create a mini social media between users of the system

## Features:

- ❖ Manage users information, students and teachers, efficiently.
- ❖ View details about faculty members as well as students.
- ❖ Manage security by providing authorized username and password.
- ❖ Publish a post in the global platform within the system.

- ❖ React to the post through features; likes, comments.
- ❖ Mobile-friendly UI

## Project Timeline:

## Technologies Used

### FrontEnd :

- ❖ HTML
- ❖ CSS,SaSS
- ❖ Java Script

### FrameWork :

- ❖ React JS

### Backend:

- ❖ Node
- ❖ MongoDB

## **FrameWork:**

- ❖ Express

## **Applications:**

- ❖ Postman
